PROFESSIONAL SUMMARY

Highly motivated Information Technology undergraduate with a strong academic foundation and a deep curiosity for emerging technologies. Passionate about transitioning foundational programming knowledge into building robust Full Stack Development projects and hardware-integrated solutions. Fast learner with a demonstrated willingness to independently explore new tools and contribute to collaborative software environments.

EDUCATION

B.Tech in Information Technology <i>KPR Engineering College, Coimbatore</i>	2025 – 2029 (Expected) Tamil Nadu, India
- Semester 1 CGPA: 8.15 / 10.0 - Core Coursework: Programming Fundamentals, Analytical Problem Solving.	

PROJECTS

Solar Panel Cooling System	<i>Technical Project</i>
Engineered an automated cooling mechanism designed to enhance solar photovoltaic efficiency by regulating surface temperatures through active thermal management.	

TECHNICAL SKILLS

- Programming Languages:** Python (Proficient), C (Proficient), C++ (Familiar), Java (Familiar).
- Web Technologies:** HTML5, CSS3, JavaScript Fundamentals.
- Software & Tools:** VS Code, Blender (Foundational Basics), Git, GitHub.
- Core Competencies:** Object-Oriented Programming (OOP), Algorithmic Logic, Debugging, Spatial Reasoning.

LEARNING & DEVELOPMENT

- Web Frameworks:** Independently studying modern frontend and backend frameworks to bridge academic theory with practical builds.
- Algorithmic Practice:** Engaging in continuous coding challenges to strengthen logic formulation and problem-solving efficiency.
- Technical Exploration:** Utilizing tools like Blender to explore 3D environments, demonstrating a high degree of technical curiosity and the ability to master complex software interfaces independently.

AREAS OF INTEREST

- Full Stack Development:** Aspiring to master end-to-end web architecture and database management.
- Software Engineering:** Interested in building scalable, user-centric applications using Agile methodologies.

SOFT SKILLS & LANGUAGES

- Soft Skills:** Adaptability, Technical Communication, Collaborative Teamwork, Critical Thinking.
- Languages:** English (Fluent Professional), Tamil (Native), German (Beginner).
